01 IH701 *balawa 100/541 Inert Gas Cylinder Bank Assembly using Master and Slave Cylinders principle using 80ltr W/C Inert cylinder with 200 bar pressure*
&
IH706 Series...

MODEL SELECTION:

- AA - Water Capacity of Cylinder (50/67/80 ltrs)
- BB - Number of Cylinder (2 , 3 , ...XX)
- CC - SR for Single row and DR for Dual row
- DD - Filling Pressure (150/200/300 bar)

balawa-100/541 inert gas suppression system using Master and Slave Operation
